

ColorWorks CW-C6500Pe

DATASHEET / BROCHURE

This 8-inch colour label printer (with built-in peeler) offers bespoke, flexible, colour labelling and supports a wide range of label sizes.

This on-demand, digital, four-colour label printer opens up new opportunities for businesses with lots of SKUs to manage and not much time. The ColorWorks CW-C6500Pe extends Epson's range in order to meet the needs of small to medium batch customers across many sectors (food, chemical, beverage, manufacturing etc.). This peeler-equipped inkjet label printer is also able to print and peel labels one-by-one.

Media Flexibility

The CW-C6500Pe benefits from a wealth of new features that are designed to provide practical and creative solutions. It supports media widths, from 25.4mm to 215.9mm and boasts expanded media support which even includes textured paper. In practical terms, this range of ColorWorks label printers can print anything from tiny labels for vaping liquid bottles, to large durable labels that are suitable for chemical drums.

Compact and easy to use

The CW-C6500Pe has been designed to be extremely user friendly. All operations can be carried out from the front, which saves on operation space. The roll replacement is possible from the front, right and left. We've also designed a number of technical tools to help with printer management, configuration and maintenance, including: web interface and printer fleet management, remote configuration, maintenance and monitoring.

Print quality

This label printer offers high quality, high resolution, four-colour print output as standard; along with colour matching functionality (ICC profile and spot colour matching tool) for impressive, impactful, on-demand colour labels.

Easy integration

All models in the range are integration-friendly. SAP direct support, ESC Label, Linux and Mac drivers. Also, the CW-6500Pe (with built-in peeler) can be integrated seamlessly into existing 'print and apply' production lines.

KEY FEATURES

- **Media Flexibility**
Expanded media support. Label widths from 25.4mm to 215.9mm
- **Compact**
Simple, unobtrusive design with front panel operation
- **Built-in peeler**
For print-and-apply production line goods
- **Remote management**
Remote configuration, maintenance and monitoring
- **Money saving**
No need for pre-printed stock of labels.
Print full colour on blank labels
